

Children and Young People's Plan

Children and Young People's Plan 2010 - 2013

The Children and Young People's Plan is the key strategic document of the Success for All Group and drives all of our work in the planning, commissioning and delivery of services.

The document explains the priorities of the Success for All Group and summarises the key actions we will undertake to deliver these.

You are able to download the plan from www.southendchildren.org or by clicking on the Related Downloads link on the right hand side of this page.
