Notes:

The purpose of the proposals is to:-

- a) To introduce a new Controlled Parking Zone in the west side of Milton Ward known as Zone MW.

Statement of Reasons for

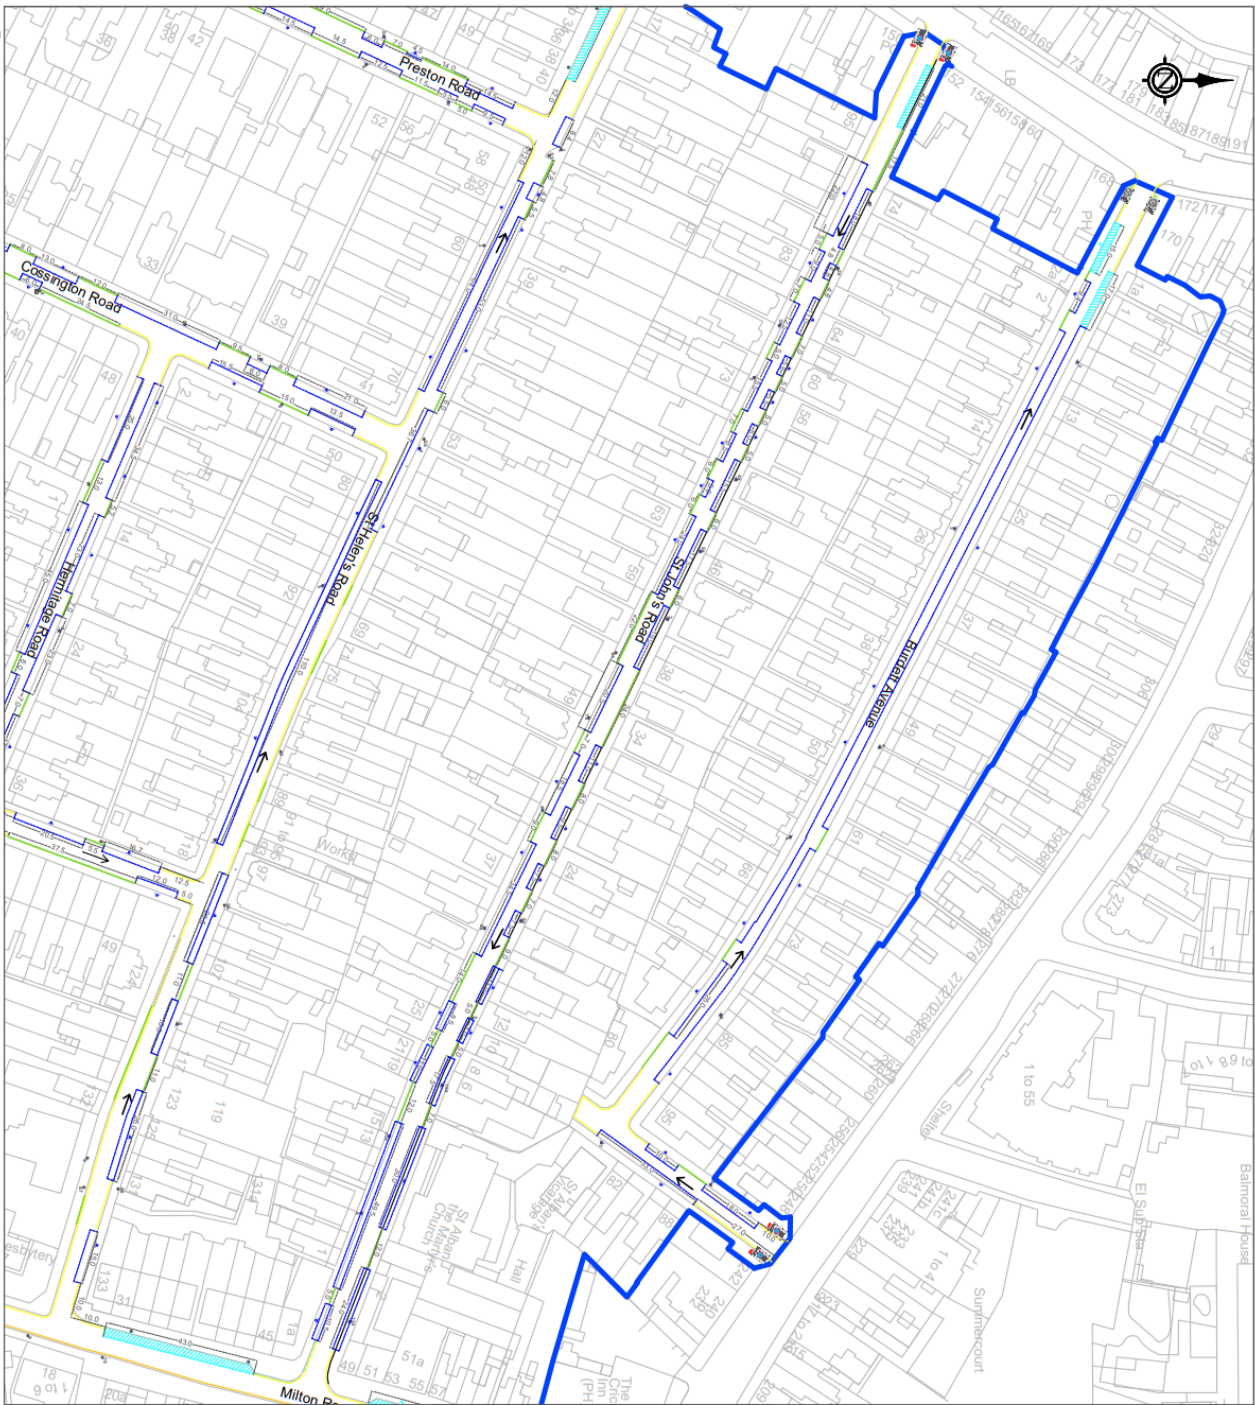

Proposals: Milton West (Zone MW) Controlled Parking Zone

Due to the assets surrounding the area, this scheme aims to enable residents (in roads which the new Zone MW covers listed below) to park near their homes.

Avenue Road	Canewdon Road
Avenue Terrace	Park Terrace
Burdett Avenue	Preston Road
Cossington Road	Retreat Road
Hadleigh Road	St Helens Road
Hermitage Road	St Vincent's Road
Leonard Road	St John's Road
Park Crescent	Wickford Road
Park Road	Milton Road

The scheme has previously had an informal consultation and a formal consultation for the implementation of a Resident Permit Scheme, proposing an extension of the existing RPS (Zone M). However, due to the scale of the scheme and variety of existing restrictions within the vicinity of the area, a redesign was required – it has been decided to progress with a Controlled Parking Zone as an Experimental Order. Ward councillors have been consulted and advised of the reasons for the re-design.

The Controlled Parking Zone has been designed maximising the number of available formal parking bays whilst meeting legislative and safety requirements and recommendations.
