Statement of Reasons

Proposals

Southend-on-Sea City Council intend to amend the chargeable period for Zone 1A by reducing the operational times of the payment parking bays, with charging currently applying between 8am – 9pm Monday to Sunday, this will be changed to 8am and 6pm Monday to Sunday. This amendment to Zone 1A will apply to all on-street and off-street locations where existing parking charges are in place.

Streets affected by this amendment include: Chalkwell Esplanade, Eastern Esplanade, Hartington Road, Lucy Road, Seaway, The Leas, Thorpe Esplanade, Western Esplanade

Reasons

The primary reason for charging for parking is to effectively manage kerb-side space and demand, in both central on-street locations and car parks, to ensure that residents, businesses, and visitors receive the best parking service from the Council. Effective parking management will aim to support wider transport policy objectives, ensuring that on and off-street space is used effectively.

Effective management of parking provision is recognised as making a significant contribution to reducing congestion, whilst supporting access to residents, visitors and businesses.

Operational times of parking restrictions need to be set to aid demand and access to local facilities at a level which will ensure the effective management of parking provision by prioritising access to the local community and promoting a sustainable and vibrant local economy, including a nighttime economy.

Parking bay operating times, both on- street and a number of off- street car parks, in Zone 1A were extended to 9pm in April 2023. Based on feedback, including business owners, these comments have been duly considered and reviewed, with a decision to reduce the operating times to 8am – 6pm due to the support of the local community.

Legislation

The specific grounds with which the Council are using for the implementation of the proposals are encompassed in Sections 1, 2, 4, 32, 35, 44, 45, 46, and 124(1)(d) and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984.

In considering whether to make this Order, Southend-on-Sea City Council has had regard to all relevant matters including its responsibility pursuant to Section 122 of the Road Traffic Regulation Act 1984 (as amended), to secure so far as practicable the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians), and the provision of suitable and adequate parking facilities on and off the highway having regard to the matters specified in Section 122(2).

Equality Act 2010, Section 149

Consideration has been given to the equalities duty of Southend-on-Sea City Council.

Due Regard for Traffic Orders and Notices

The Southend on Sea City Council has a duty to give 'due regard to' the following three aims of the public sector equality duty (section 149 of the Equality Act 2010) during the development of the policy.

- Eliminate discrimination, harassment and victimisation and any other conduct prohibited by the ACT:
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations between people who share a protected characteristic

An initial assessment against each of the protected groups is provided below – any issues highlighted through the consultation process will be considered and reported at the end of the consultation period.
