

THE SOUTHEND-ON-SEA CITY COUNCIL (VARIOUS ROADS) (MOVING TRAFFIC AND SPEED LIMIT) ORDER 2024

Road Traffic Regulation Act 1984

The Southend-on-Sea City Council proposes to make the above named Order under Sections 1(1), 2(1) to (3), 3, 4, 19, 65(1), 81, 84, 85, 87 and 124 (and parts I, II and IV of Schedule 9) of the Road Traffic Regulation Act 1984 (“the Act”) as amended and the Traffic Management Act 2004 as amended and of all other enabling powers, and having regard to Section 122 of the Act after consultation with the Chief Officer of Police in accordance with Part III of Schedule 9 of the Act.

The effect of this Order would be to produce a Southend-On-Sea wide traffic order for all current traffic orders relating to moving traffic and speed limit restrictions. This will include producing map-based schedules and digitising all restrictions (listed in the table below) as part of this process on to the Council’s map-based system.

All previous traffic orders relating to moving traffic restrictions and speed limits will be revoked and replaced as part of this process.

This will also include the following:

- Introduction of articles relating to map-based schedules
- Clearly set out legislative powers to propose and make the order
- Relevant definitions added
- Exemptions added to restrictions
- Revocation of restrictions in previous traffic orders that are no longer in existence on the highway network
- Restrictions added as schedule items, displayed on the map-based schedules listed in schedule 2 to the order, to ensure that each restriction currently on the highway network is backed by a compliant traffic order and ensuring it is fully enforceable

The roads listed in column 2 of the table below will be affected by the restrictions listed in column 1 of that table.

Column 1	Column 2
